

Workshop on ethnic studies to be held

Dr. Roberto Haro, an expert on education for minority students in higher education, will present a workshop on ethnic studies for students, faculty and staff. The workshop will be held Tuesday, Aug. 21, at 2:30 pm in the West Wing of Chumash Auditorium.

Currently the director of the Monterey County campus of San Jose State University, Haro was most recently assistant chancellor at UC Berkeley. He held various positions related to the development of programs for ethnic minority students. He is credited with being the co-developer of the Ethnic Studies program at Berkeley, which includes an ethnic studies requirement for graduation.

At the federal level, Haro served as director of research for the President's Cabinet Committee on Opportunities for the Spanish Speaking in Washington, D.C. Educated as a librarian, he is widely published in the area of multidisciplinary academic resources concerning ethnic minorities.

AIDS quilt to be on display in Oct.

On Saturday, Oct. 27, and Sunday, Oct. 28, panels from the Names' Project memorial AIDS quilt will be on display at the new gym at San Luis Obispo High School. The display will be the first of its kind in San Luis Obispo County.

The quilt was conceived in 1987 as a growing memorial to those who have died from AIDS. Today, the quilt would extend the length of more than ten football fields and include over fourteen thou-

sand individual panels, if displayed in its entirety.

In anticipation of the quilt display, faculty and staff who would like to create a memorial panel are invited to attend special panel-making sessions. All sessions are scheduled to begin at 6 pm at the Unity Christ Church, located on the corner of Johnson and Southwood, in San Luis Obispo. Sessions are planned for the following Fridays: Aug. 17, Sept. 21 and Oct. 19.

More information concerning the quilt may be obtained by contacting committee members Stephan Lamb, associate director, Housing, or Troy Gilbert, leadership development specialist with the Housing Department, at ext. 3396. Information can also be obtained by calling the Names' Project of San Luis Obispo, 541-0123.

CSU alumni trustee Lee Grissom resigns

Lee A. Grissom, alumni representative on the board of trustees since January 1985, has announced his resignation.

Grissom filled the unexpired term of John F. O'Connell, the first alumni trustee, who died in July 1984.

Grissom is the president and chief operating officer of the Greater San Diego Chamber of Commerce.

The search for a new alumni trustee will begin immediately.

It is expected that finalists will be interviewed and a new alumni trustee will be appointed by the CSU Alumni Council at its quarterly meeting in Bakersfield next January.

Trustees OK drastic support budget cuts

Faced with what was described as the worst budget the California State University has ever seen, the board of trustees voted to drastically reduce the CSU 1990-91 support budget to comply with cuts mandated by the governor and the State Legislature.

In addition, the governor and legislature passed a 10 percent increase in student fees as part of the budget. The trustees implemented a support budget which includes a cut of \$71.2 million that will affect all 20 CSU campuses.

"We have never seen cuts of this magnitude," stated Chancellor Ellis E. McCune. "We are facing the most difficult year that any of us can remember. We also have good reason to believe that there may be a further reduction of up to 3 percent which could amount to an additional cutback of \$51.7 million."

It would come on top of the \$71.2 million cut. This would mean a total reduction in the budget of approximately \$123 million.

In a precedent-setting move to mitigate the damaging effect of the cuts, the trustees also resolved to shift lottery funds in the amount of \$34.5 million to the general fund budget. In turn, this will translate into cuts in lottery-supported programs.

Retirement reception

A retirement reception honoring Foundation Controller Jim Neal's 36 years of service will be held on Wednesday, Aug. 22, 2 pm - 4 pm in the courtyard of the Foundation Administration Building. Faculty, staff, and students are welcome.
